Kittie, Do You Think I'm A Whore (live)

The Knife Is On The Table.

I Put Myself To Sleep.

All I Know Is All I Know.

Remember What You Sow Is What Reap!

Why Can't I Fucking Believe You?

This is Your words For Me.

A Little Sheltered Girl Is What I'll Always Be.

So Loving And Considerate.

Too Scared Of What I'll Be.

I Look Into The Mirror, The Whore Is All I See.

Like You. Like Me.

Diminished, Self important, i'll never see.

Like You. Like Me.

I Never Want To Be Like Me.

Do You Think I'm A Whore?

I'm A Whore {4x}

Why can't I Fucking Believe You?

This is Your Words For Me.

A Little Sheltered Girl Is What I'll Always Fucking Be.

So Loving And Considerate.

Too Scared Of What I'll Be.

I Look Into The Mirror, The Whore Is All I See.

Like You. Like Me.

I'll Never Cheat. I'm stubborn you see.

Like you. Want Me. Know Me. For Eternity.

I'm A Whore {8x}

Haha. Haha. Ì'm A... Whore.
