

# Kobra And The Lotus, Thundersmith

Well I've been beat down, broken  
Let me tell you I've got hell to pay  
I said this day would come  
You laughed and looked the other way( way)

I don't mean to alarm you but the winds have finally changed  
They're blowing my direction and it's changing the game

You said I couldn't do it  
It's the reason that I stayed  
Lit a fire in my heart and put ice in my veins

This time I'm leaving you behind  
Don't care about tomorrow  
I'm here to have a hell of a time!

Are you ready?  
Say Yea!  
I ain't gonna loose  
All the times you said I couldn't  
Jokes on you!!!

Well I've love, lost, learned  
Let me tell you I have paid my dues  
And the crying child inside you  
Believe me, I've been paying his too  
Yea!

This time I'm leaving you behind  
Don't care about tomorrow  
I'm here to hell of a time!

Are you ready?  
Say Yea!  
I ain't gonna loose  
All the times you said I couldn't  
Jokes on you!!!  
And if you hear me  
Say yea! Whatever I choose  
Cause I'm proud of what I'm made of  
I stay true!  
I stay true

I'm not going back  
On my way  
Wrong turn, take me back  
Here to stay  
I'm not going back  
On my way

1,2 ,3, 4 Tell me what you're fighting for!

Yea!  
I ain't gonna loose  
All the times you said I couldn't  
Jokes on you!!!  
And if you hear me say Yea!!  
Whatever I choose  
Cause I'm proud of what I'm made of  
I stay true, I stay true!
