

# Komety, April Rain

Darkness around me  
on a cold autumn night  
I close my eyes  
and I see your face  
in the dark  
I've seen you many times before  
I'll see you once again  
I've seen you many times before  
I'll see you once again  
in the April rain  
Seasons change fast  
The snow will melt in the sun  
I'm walking alone  
waiting for the spring to come  
I've seen you many times before  
I'll see you once again  
I've seen you many times before  
I'll see you once again  
in the April rain
