

Kosheen, Suicide

Drop that rhythm and you unwind
Keep that feeling and you step in time
All too pretty for a real life

Suicide

Drop that rhythm and you unwind
Keep that feeling and you step in time
All too pretty for a real life

Slip 'n' slide

Your eyes are wide

Tongue-tied

You slip 'n' slide

Shut tight

Slip 'n' slide

Read the line

The underlined

Slow down

Ease your mind

Time to find

Another ride

Another ride

Drop that rhythm and you unwind

Keep that feeling and you step in time

All too pretty for a real life

Drop that rhythm and you unwind

Keep that feeling and you step in time

All too pretty for a real life

Look right

Slip 'n' slide

Time flies

You slip 'n' slide

Leave now

Be left behind

Time to find

Another ride

Slow down

Ease your mind

Time to find

Another ride

Keep that feeling and you step in time

All too pretty for a real life
