

Krist van D, Hangover (ft. Dhany)

A sober hangover
A beautiful lover
A sober hangover
Just come and set me free

It must be destiny
You came and little get stone on me
I was so ___
You show me the meaning of ecstasy
Oh, baby
Coz I was alone
And you came along

I don't wanna life this ___
A sober hangover
A beautiful lover
A sober hangover
Just come and set me free
