

Krist van D, Vacancy (feat. Niles Mason)

You've been around the world
And back home
You've seen a lot of places
Yes, I Know
No matters there's
Nobody like you
I won't try, try
To do nanana
This game is
Out of my mind
No lie
You the reason that I...
I'm not afraid that I'm into you
To the high
A
And the low
You got to be

I'm the one, baby
You don't have to pay
