

Krist van D, You Are The One

You're so beautiful
You're the one, you're the one I've been waiting for
I'm so glad I found you
You're so beautiful
You're the one, you're the one I've been waiting for
So glad I found you
You're the one
You're the one
You're so beautiful
Like the wave crashing on a beach
Like the sweet flowing melody
Like the sun before it starts to set
You're so beautiful
Like the cool wind against my face
Like the pleasure of a warm embrace
When you kiss me, I just can't forget
You're so beautiful
You're so beautiful
You're the one, you're the one I've been waiting for
I'm so glad I found you
You're so beautiful
You're the one, you're the one I've been waiting for
So glad I found you
You're the one
You're the one
You're so beautiful
