

Krist van D, You & Me

You and me
Every time, every time
You and me
Every time, every time
Close your eyes
Feel the sound
Walking into my world
/2x

Teach me how
I should love
I should love
Teach me how
I should love
I should love
Teach me how
I should love
I should love

You and me
Every time,
You and me
Every time,
You and me
Every time,
You and me
Every time,

You and me
Every time, every time
You and me
Every time, every time
You and me
