Krist van D, You & Me

You and me Every time, every time You and me Every time, every time Close your eyes Feel the sound Walking into my world /2x

Teach me how I should love I should love Teach me how I should love I should love Teach me how I should love I should love I should love

You and me Every time, You and me Every time, You and me Every time, You and me Every time,

You and me Every time, every time You and me Every time, every time You and me
