

Kula Shaker, Natural Magick

You got that old time magick and it's making my day,
You got the Technicolor and the Special K,
Coke cans, newsstands, passing me by
You set the streets on fire and I feel so alive

Girl, you got it going on, you got it going on
Yeah you got it going on, that natural magick.
Girl, you got it going on, you got it going on
Yeah you got it going on, that natural magick.

I had them black dogs howling but you chased them away
With your holy visions and the holy Name,
Yeah you keep on shaking it, yeah, you're turning me on,
You're my little white rabbit, you're my smoking gun

Girl you got it going on, you got it going on
Yeah you got it going on, that natural magick
Girl, you got it going on, you got it going on
Yeah you got it going on, that natural magick

M - A - G - I - C - K! You got it going on
M - A - G - I - C - K! You know I know you got it!
M - A - G - I - C - K! You got that natural
M - A - G - I - C - K!

Sikhs, geeks, lepers, and creeps,
wizards and witches, Jesus freaks...

You got it going on, you got it going on
Yeah you got it going on that natural magick
Girl, you got it going on, you got it going on
Yeah you got it going on, that natural magick
