

Kygo, Dancing Feet (ft. DNCE)

Spin you around on the chandeliers
Head over heels like tears for fears
Your love, no, I can't get enough, uh
Losing my cool but I'm staying alive
Dance in the rain just to kiss the night
Your touch, oh, it fits like a glove, oh, hey
Don't need drama
I just need one word to get to you
So tell me now do you want it
'Cause these dancing feet don't cry to the rhythm, they cry for you
And every Saturday night that you ain't here, my tears are blue
And these blinding lights, they shine so bright like we're on the moon
But I don't wanna dance another beat, no, unless it's with you
I don't wanna dance another beat, no, unless it's with you
Tell me who do I call when I lose my mind?
Four in the morning and I'm on fire
It's you that I'm running to
You got a diamond heart, you're a work of art
And nothing compares when I'm in your arms
Don't go 'cause we'll never know, oh, hey
Don't need drama
I just need one word to get to you
So tell me now do you want it
'Cause these dancing feet don't cry to the rhythm, they cry for you
And every Saturday night that you ain't here, my tears are blue
And these blinding lights, they shine so bright like we're on the moon
But I don't wanna dance another beat, no, unless it's with you
I don't wanna dance another beat, no, unless it's with you
Da-da-da-dancin' feet
Da-da-da-dancin' feet
Da-da-da-dancin' feet
They cry, they cry
Da-da-da-dancin' feet
Da-da-da-dancin' feet
Da-da-da-dancin' feet
They cry, they
'Cause these dancing feet don't cry to the rhythm, they cry for you
And every Saturday night that you ain't here, my tears are blue
And these blinding lights, they shine so bright like we're on the moon
But I don't wanna dance another beat, no, unless it's with you
Unless it's with you, with you, hey
(These dancin' feet, they cry)
I don't wanna dance another beat, no, unless it's with you
Da-da-da-dancin' feet
Da-da-da-dancin' feet
Da-da-da-dancin' feet
They cry, they cry
Da-da-da-dancin' feet
Da-da-da-dancin' feet
But I don't wanna dance another beat, no, unless it's with you
