

# Kygo, Kim Petras, Broken Glass

We were so close to something right  
But we're stupid  
But we're stupid  
But we're stupid  
We could turn love into a fight  
Over nothing?  
Over nothing?  
Over nothing?  
And the only thing we had in common with each other  
Was destroyin' everything we over touched

So cheer to us and what we had  
Let's keep dancing on the broken glass  
And all that's left is smoke and ash  
So let's keep dancing on the broken glass  
Cheer to us and what we had  
let's keep dancing on the broken glass  
cause when you're high you're bound to crash  
let's keep dancing on the broken glass

let's keep dancing on the broken glass  
cheer to us  
let's keep dancing on the broken glass

we couldn't do this perfectly  
but we're useless  
but we're useless  
but we're useless  
nobody does a tragedy like you and me  
cause we're ruthless  
cause we're ruthless  
cause we're ruthless  
and the only things we had in common with each other  
was destroyin' everything we ever touched

So cheer to us and what we had  
Let's keep dancing on the broken glass  
And all that's left is smoke and ash  
So let's keep dancing on the broken glass  
Cheer to us and what we had  
let's keep dancing on the broken glass  
cause when you're high you're bound to crash  
let's keep dancing on the broken glass

let's keep dancing on the broken glass  
cheer to us  
let's keep dancing on the broken glass
