

# Kylie Minogue, Magic

I feel like anything could happen  
The stars look different tonight  
They're glowing all around me  
It's flowing through my body  
I can feel it  
I can feel it

Don't know if i am awake or dreaming  
There must be something in the air  
The time is disappearing  
This moments never leaving  
I can feel it  
I can feel it

You got me started  
Ain't nothing on Earth can stop it  
It's crazy, i;m feelig  
I don't know what esle to cal lit  
Do you belive in magic?  
Do you, do you, do you  
Do you belive in magic?  
Dancing together  
Ain't nothing could be better  
Tomorrow don't matter  
We'll make the night last forever  
So Do you belive in magic?  
Do you, do you, do you  
Do you belive in magic?

Free-falling it's a new emotion  
I swear there's diamonds in your eyes  
Come hold me like you mean it  
Don't wanna keep this secret  
Can you feel it  
My heart beating  
You make me wanna do these wild things  
Your touch is supernatural  
I can't fight this feeling  
I am floating through the ceiling  
Can you feel it?  
I can feel it

You got me started  
Ain't nothing on Earth can stop it  
It's crazy, i;m feelig  
I don't know what esle to call it  
Do you believe in magic?  
Do you, do you, do you  
Do you believe in magic?  
Dancing together  
Ain't nothing could be better  
Tomorrow don't matter  
We'll make the night last forever  
So Do you believe in magic?  
Do you, do you, do you
