

# Lacuna Coil, Swamped XX

When you're taught through feelings  
When you're taught through feelings  
When you're taught through feelings  
When you're taught through feelings  
Uh-huh...

Destiny flying high above  
All I know is that you can realise  
Destiny who cares (destiny who cares)  
As it turns around (as it turns around)  
And I know that it descends  
Down on me

Just another day  
The shame is gone  
Hard to believe, hey  
That I've let it go, let it go, let it go

Destiny can't replace my life  
Scary shadows of my past are alive (la la)  
Destiny who cares (destiny who cares)  
As it turns around (as it turns around)  
And I know that it descends  
With a smile

Just another day  
The shame is gone  
It's hard to believe, hey  
That I've let it go away  
It's just a melody  
It bleeds in me  
Hard to believe, hey  
That I've let it go

When you're taught through feelings  
When you're taught through feelings  
When you're taught through feelings  
When you're taught through feelings  
Uh-huh...

Just another day  
The shame is gone  
It's hard to believe, hey  
That I've let it go away  
It's just a melody  
It bleeds in me  
It's hard to believe, hey  
That I've let it go, let it go, let it go
