

# Lady Antebellum, Compass

Alright

Yeah it's been a bumpy road  
Rollercoasters high and low  
Fill the tank and drive a car, pedal fast, pedal hard  
You won't have to go that far  
You wanna give up 'cause it's dark  
We're really not that far apart

So let your heart sweetheart be your compass when you're lost  
And you should follow it wherever it may go  
When it's all said and done, you can walk instead of run  
'Cause no matter what, you'll never be alone

Forgot directions on your way  
Don't close your eyes don't be afraid  
We might be crazy late at night  
I can't wait till you arrive  
Follow stars you'll be alright

You wanna give up 'cause it's dark  
We're really not that far apart

So let your heart sweetheart be your compass when you're lost  
And you should follow it wherever it may go  
When it's all said and done, you can walk instead of run  
'Cause no matter what, you'll never be alone

You wanna give up 'cause it's dark  
We're really not that far apart

So let your heart sweetheart be your compass when you're lost  
And you should follow it wherever it may go  
When it's all said and done, you can walk instead of run  
'Cause no matter what, you'll never be alone (never be alone)  
(never be alone)

When it's all said and done, you can walk instead of run  
'Cause no matter what, you'll never be alone
