

# Lamb, Sweet

Sunshine takes me  
To a place where  
I living free  
Something in your eyes  
Is telling me  
This is where I want to be  
But I never thought it would be  
So  
Sweet, sweet, sweet  
The way you make me feel  
Funny  
How it just gets  
Sweeter and sweeter  
Day by day  
It sweet how  
You just get funnier to me  
In every way  
But I never thought it would be  
So  
Sweet, sweet, sweet  
The way you make me feel  
Sweet, sweet, sweet  
I can believe youe real  
It's so rare  
To find someone  
Who  
Brings on the sunshine the way you do  
You're so  
Sweet, sweet, sweet  
The way you make me feel  
Sweet, sweet, sweet  
I can believe youe real
