

Lana Del Rey, Lust for Life (ft. The Weeknd)

Climb up the H of the Hollywood sign
In these stolen moments
The world is mine
There's nobody here, just us together
Keepin' me hot like July forever

Cause we're the masters of our own fate
We're the captains of our own souls
There's no way for us to come away
Cause, boy, we're gold
Boy, we're gold and I was like,

Take off /3x
All your cloths
/3x

They say only the good die young
That just ain't right
Cause we're having too much fun
Too much fun tonight

In a lust for life /4x
Keeps us alive /4x
/2x

We dance on the H of the Hollywood sign
Till we run out of breath
Gotta dance till we die
My boyfriend's back
And he's cooler then ever
There's no more night
Blue sky for forever

Cause we're the masters of our own fate
We're the captains of our own souls
There's no way for us to hesitate
I was like,

Take off /3x
All your cloths
/3x

They say only the good die young
That just ain't right
Cause we're having too much fun
Too much fun tonight

In a lust for life /4x
Keeps us alive /4x
/2x

My boyfriend's back
And he's cooler then ever
There's no more night
Blue sky for forever
i told you twice
in our love letter
there's no stopping now
green light forever
and i was like,

Take off /3x
All your cloths
/3x

In a lust for life /4x
Keeps us alive /4x
/2x
