Lara Fabian, Voy A Amar Otraves (I Will Love Ag

v1:

did i ever tell you
how you live in me
every waking moment
even in my dreams
so if all this talk is crazy
and you don't know what i mean
does it really matter
just as long as i believe

chorus:

i will love again, though my heart is breaking i will love again, stronger than before i will ove again, even if it takes a lifetime to get over you heaven only knows, i will love again

v2:

people never tell you the way they truly feel i would die for you gladly if i knew it was for real so if all this talk sounds crazy and the words don't come out right does it really matter if it gets me though this night

chorus:

i will love again, though my heart is breaking i will love again, stronger than before i will ove again, even if it takes a lifetime to get over you heaven only knows, i will love again

bridae:

if i'm true to myself nobody else can take the place of you but i've got to move one tell me what else can i do

chorus:

i will love again, though my heart is breaking i will love again, stronger than before i will ove again, even if it takes a lifetime to get over you heaven only knows, i will love again

i will love again...
i will love again...
one day i know
i will love again
you can't stop me for loving again
breathing again
feeling again
i know one day i'll love again!!!!
