

Lauv, Feelings

is my love too much
or is it just enough for you
for you
cause it's getting late
would you like to stay
cause I am bad at reading sings
but i wanna do whatever you wanna do
if you wanted to
girl, we could cross that line
kknow we've been friends and love only knows broken ends
that's what you said bur girl let me change your mind

cause feelings are hard to find
cause feelings are hard to find

but i feel them in my chest
a tiny war within
but when I pull you closer
girl I can't explain

but I wanna do whatever you wanna do
if you wanted to
girl we could cross that line
know we've been friends and love only knows broken ends
that's what you said but girl let me change your mind

cause feelings are hard to find
cause feelings are hard to find
