LCD Soundsystem, New York I love you

New York, I Love You

But you're bringing me down

New York, I Love You

But you're bringing me down

Like a rat in a cage

Pulling minimum wage

New York, I Love You

But you're bringing me down

New York, you're safer

And you're wasting my time

Our records all show

You are filthy but fine

But they shuttered your stores

When you opened the doors

To the cops who were bored

Once they'd run out of crime

New York, you're perfect

Don't please don't change a thing

Your mild billionaire mayor's

Now convinced he's a king

So the boring collect

I mean all disrespect

In the neighborhood bars

I'd once dreamt I would drink

New York, I Love You

But you're freaking me out

There's a ton of the twist

But we're fresh out of shout

Like a death in the hall

That you hear through your wall

New York, I Love You

But you're freaking me out

New York, I Love You

But you're bringing me down

New York, I Love You

But you're bringing me down

Like a death of the heart

Jesus, where do I start?

But you're still the one pool

Where I'd happily drown

And oh.. Take me off your mailing list

For kids that think it still exists

Yes, for those who think it still exists

Maybe I'm wrong

And maybe you're right

Maybe I'm wrong

And myabe you're right

Maybe you're right

Maybe I'm wrong

And just maybe you're right

And Oh..

Maybe mother told you true

And they're always be something there for you

And you'll never be alone

But maybe she's wrong

And maybe I'm right

And just maybe she's wrong

Maybe she's wrong

And maybe I'm right

And if so, is there?
