LCD Soundsystem, New York, I Love You But Yo

New York, I love you But you're bringing me down New York, I love you But you're bringing me down

Like a rat in a cage Pulling minimum wage New York, I love you But you're bringing me down

New York, you're safer And you're wasting my time Our records all show You were filthy but fine

But they shuttered your stores When you opened the doors To the cops who were bored Once they'd run out of crime

New York, you're perfect Oh please, don't change a thing Your mild billionaire mayor's Now convinced he's a king

So the boring collect I mean all disrespect In the neighborhood bars I'd once dreamt I would drink

New York, I love you But you're freaking me out There's a ton of ""The Twist"" But we're fresh out of ""Shout!""

Like a death in the hall That you hear through your wall New York, I love you But you're freaking me out

New York, I love you But you're bringing me down New York, I love you But you're bringing me down

Like a death of the heart Jesus, where do I start? But you're still the one pool Where I'd happily drown

And oh, take me off your mailing list For kids who think it still exists Yes, for those who think it still exists

Maybe I'm wrong And maybe you're right Maybe I'm wrong And maybe you're right

Maybe you're right Maybe I'm wrong And just maybe you're right

And oh..

Maybe mother told you true And there'll always be somebody there for you And you'll never be alone

But maybe she's wrong And maybe I'm right And just maybe she's wrong

Maybe she's wrong And maybe I'm right And if so, is there?
