

# LCD Soundsystem, Too Much Love

What will you say when the day comes  
When it's no fun  
When it's all done  
When it's no fun

What will you say when the time comes  
There's a dry run when it's undone  
And there's no one

When it's too much love  
Too much love  
Too much  
It's too much love  
Too much love  
Too much

What will you do when you wake up  
Fatten you up  
Fasten you up  
Fatten you up

No memories to get cloudy  
To get cloudy when you can't see  
What you can't see

It's all the same when it's morning  
And you're boring  
Still ignoring everything

No memories to remind you  
Of the old you  
Nothing for it  
Just keep it up, keep it up

With no memory  
With no memory  
With no memory  
To keep you up at night
