

Liam Payne, Strip That Down (ft. Quavo)

You know I've been
Taking some time
And I've been keeping to myself
I had my eyes up on the prize
Ain't watching anybody else

But your love it hit me hard
Girl, you're bad for my health
I love the cards that I've been dealt
Do you feel the same as well?

You know I sued to be in 1D and I'm out free
People want me for thing that's not me
I'm not changing the way that I used to be
I just want to have fun and get roudy

One coke and Bacardi sipping lightly
When I walk inside the party girl's on me
F1 type Ferrari 6 gear speed
Girl, I love it when your body grinds on me

Baby, you know I love it when the music's loud
But come on Strip That Down for me
Baby, now there's a lot of people in the crowd
But only you can dance with me

So put your hands on my body
And swing round for me
Baby, you know I love it when the music is loud
But come on strip that down for me
Yeah /4x

Strip That Down, girl
Love when you hit the ground

You know that since the day I met you
You sweat me off my feet
You know that I don't need no money
When your love is besides me

You opened up my heart
And then you threw away the key
Girl, now it's just you and me
And you don't care about where I've been

You know I sued to be in 1D and I'm out free
People want me for thing that's not me
I'm not changing the way that I used to be
I just want to have fun and get roudy

One coke and Bacardi sipping lightly
When I walk inside the party girl's on me

She gon strip it down for a thug
Word around town she got the buzz
5 shots in she in love now
I promise when we pull up shut the club down
I took her from her man don't nobody know
If you bought the CL better drive slow
She know how to make me feel with my eyes closed
Anything goes down with the huncho

You know I sued to be in 1D and I'm out free
People want me for thing that's not me
I'm not changing the way that I used to be
I just want to have fun and get roudy
