

Lil Dicky, Freaky Friday (feat. Chris Brown)

I woke up Chris Brown body

I'm so flu and I can dance
there's tattoos on my neck
I just FeceeTimed Kanye
I told him I'm his biggest fan
got all these hoes in my DM
holy shit I got a kid
oh, I can sing so well
wonder if I can say n-word
wait, can o really say the n-word
what up my nigga
what up my nigga
big ups my nigga
man fuck y'all niggas
cause I'm that nigga, nogga, nigga
I'm that nigga

I woke up Chris Brown body
somehow this shit turned into Freaky Friday
but we got no choice but to turn this bitch sideways
I can't believe that it's Freaky Friday
