

Lil' Kim, Another

She was askin bout ya whereabouts
Here's the digits, i know you can wear that out
Tear that out the frame, ya game so tight
You'll be all fuckin night

Chorus two: lil kim

What do ya do when your man is untrue?
Do you cut the sucker off and find someone new?
I need another man, in my life

Verse two: lil kim

Mmm, uhhh, uhhh!
Member when you said you would die for me, shit
All of that was just lies to me
Motherfucker shoulda never said bye to me
Now you cry for me, like jodeci
It's like that y'all, my nigga hit another bitch from the back y'all
Black nasty and matter fact ya'll
Shoulda seen the hoe, nigga pack ya shit
You out the door, ohh
What about the fight in the mirage?
I seen ya benz, parked outside my sister's garage
Said it was ya friend rog, bullshit
I ain't gonna keep puttin up wit the bullshit
And still i, never sweat these bitches
Who be hanged like plaques on the wall and ya pictures
Scalin fishes, my love is concrete
Stashin ya heat in the passenger seat
Of the nautica jeep, we've been down for so long
Still a bitch like me tryin to hold on
Teary eyed, damn a bitch steamin
Girls steady screamin, 'kim you need to leave him!'
When i testified in court, couldn't think straight
Thinkin bout the bitches i fought
Over you, nigga half the shit you bought
And fuck you, movin is my last resort
You see nine outta ten niggaz, ain't shit
One outta five niggaz suck a dick
Ya mad at me, too bad she ain't as bad as me
Choulda kept the freak bitch off my canape
Now you see, ain't no pussy warm as mine
Long as mine, ain't no love as strong as this
When i sucked ya dick, it's like smokin a roach
Uhh, i go from first class to coach
