

Lil Mosey, Holy Water

Woke ip feeling good
Drinking holy water
Though i found a down bitch
But i never found her
Just drop six bands
That's hunnid today

And i will still rob yo' peoples
Casue i am stuck in my ways
Let's 'pull up
Make a movie
I think i like it when you sing this to me
I got this money
But doasn't suit me
I need the world, see it improving
