

# Lil Mosey, Holy Water

Woke ip feeling good  
Drinking holy water  
Though i found a down bitch  
But i never found her  
Just drop six bands  
That's hunnid today

And i will still rob yo' peoples  
Casue i am stuck in my ways  
Let's 'pull up  
Make a movie  
I think i like it when you sing this to me  
I got this money  
But doasn't suit me  
I need the world, see it improving
