

Lil Nas X, AM I DREAMING (feat. Miley Cyrus)

Every song, every dream filled with help from beyond
As I'm sinking I relive the story
Every try, every breakthrough and every cry
As I'm sinking I relive the story

Never forget me
And everything I've done
Never forget me
Like I'm your favorite song
I'm faded, replaying these thoughts
I thought were sinking down
Never forget me
And everything I've done

[Miley:]
TeARS running dry
Shattered inside
But i still got a smile
As i am sinking i relive the story
Glitter comes off
Battered in blue
But i gotta go on
As ai am singing i rewrite my story

Never forget me
And everything I've done
Never forget me
Like I'm your favorite song
I'm faded, replaying these thoughts
I thought were sinking down
Never forget me
And everything I've done
