

# Lil Peep, 16 Lines

Sixteen lines of blow and I'm fine  
Break my bones, but act as my spine  
Wonder who you'll fuck when I die  
And if I tried to call, would you cry?  
Please don't cry, you're wasting your time  
Sixteen lines will make me feel fine  
Ten years ago I went blind  
I been on my own since age nine  
Sixteen lines of blow and I'm fine  
Break my bones, but act as my spine  
I wonder who you'll fuck when I die  
And if I tried to call, would you cry?  
Please don't cry, you're wasting your time
