

Lil Skies, Real Ties

people knowing that we lit
nigga, they knowing that we lit
it's lit!

money coming in
people knowing that we lit
do if for the fam
we gon' die for this shit
that's some real ties when we pull up whit the clique
it ain't no surprise
they all love you when you rich

money coming in
people knowing that we lit
do if for the fam
we gon' die for this shit
that's some real ties when we pull up whit the clique
it ain't no surprise
they all love you when you rich

Lil nigga, I got my weight up
flexing on the competition who tried to play us
now we on, you niggas just gotta pay up
and I ain't done
I'm balling like I layup
switch flows
switch cars
I switch hoes
my shit goes

I;m ready to pop like crystal
these diamonds on me ancings'
like we at the disco
no red light
you hear the shot
come and get low
cause

money coming in
people knowing that we lit
do if for the fam
we gon' die for this shit
that's some real ties when we pull up whit the clique
it ain't no surprise
they all love you when you rich
money coming in
people knowing that we lit
do if for the fam
we gon' die for this shit
that's some real ties when we pull up whit the clique
it ain't no surprise
they all love you when you rich

rich, rich, as a bitch
money coming in
my pocket LILo and STIch
Floode the Patek,
you see it shine on my wrist
you'd think I was a mess
I'm living my life like this
put her in Chanel
she taking flights on a trip
I turn up at show
get the bag and then I dip

you never rally know when somebody gonna slip
it's loyalty and trust now I'll be part of the myth

we got money coming in
people knowing that we lit
do if for the fam
we gon' die for this shit
that's some real ties when we pull up whit the clique
it ain't no surprise
they all love you when you rich
money coming in
people knowing that we lit
do if for the fam
we gon' die for this shit
that's some real ties when we pull up whit the clique
it ain't no surprise
they all love you when you rich
