

Lil Xan, Everything I Own

street's dangerous

xanny game, candy game
you just want it now, babe
I'm insane, live alope
Hohny .. up on my wrist
heavy like I hit some shit
basic bitches wanna kiss
drop your legs and stuck this dick

took a lot of pills
think it's time to go space
huston have a problem
the speakers don't have much bass
fuck it, we gon' fly to Mars
and try to find some dank
pussy in my face
whnat the fuck was I gon' say?
used to clean streets
now I am livin' like a king
tatted up my face so people likin; wgat they see
every shop I am hittin
getting' everything for free
when I iwas a baby, knew
I would have everything

the crown, the gold
the jewels, the hoes
the cars, the homes
everything I own
look, the crown, the gold
the jewels, the hoes
the cars, the homes
everything I own
