

# Lillian Axe, Sign Of The Times

Cast your worries to the seas,  
You can do just what you please,  
Don't you know that happiness is free,  
Disguised to hide the reasons,  
We believe just what we see.

It's time to look beyond the real,  
While you create the life you feel,  
Everybody needs their time,  
Scaling mountains they can't climb,  
Falling down to their knees.

Chorus:

It's a sign of the times  
Do you want to be  
Just a sign of the times  
It's the end of the line  
Such a tragedy  
It's a sign of the times

Shooting stars light up the sky  
We march on prepared to die  
I won't let them take my sense of pride, no,  
Safe beneath the shelter,  
But your face you cannot hide

It's time that people realize  
What stares them right between their eyes  
Everybody's wasting time  
Trying to make the words all rhyme,  
It's so easy to see

Chorus:

It's a sign of the times

Do you want to be

Just a sign of the times

It's the end of the line

Your animosity

It's a sign of the times

Don't you feel it?

It's a sign of the times

Do you want to be just a sign of the times

Chorus
