Lily Allen, Hard Out Here

I suppose I should tell you What this bitch is thinking You find me in the studio And not in the kitchen I won?t be bragging ?bout my cars Or talking ?bout my chains Don?t need to shake my ass for you ?Cause I?ve got a brain If I told you about my sex life You'd call me a slut Them boys be talking? bout their bitches No one?s making a fuss There?s a glass ceiling to break, uh huh There?s money to make And now it?s time to speed it up ?Cause I can?t move at this pace

Sometimes it?s hard to find the words to say I?ll go ahead and say them anyway Forget your balls, and grow a pair of tits It?s hard, it?s hard It?s hard out here for a bitch, It?s hard (For a bitch, for a bitch) For a bitch, It?s hard It?s hard out here for a bitch, It?s hard (For a bitch, for a bitch) For a bitch, it?s hard It?s hard out here

If you?re not a size six
Then you?re not good-looking
Well, you better be rich
Or be real good at cooking
You should probably lose some weight
?Cause we can?t see your bones
You should probably fix your face
Or you?ll end up on your own
Don?t you want to have somebody who objectifies you?
Have you thought about your butt, who?s gonna tear it in two?
We?ve never had it so good, uh huh
We?re out of the woods
And if you can?t detect the sarcasm
You?ve misunderstood

Sometimes it?s hard to find the words to say I?ll go ahead and say them anyway Forget your balls, and grow a pair of tits It?s hard, it?s hard It?s hard out here for a bitch, It?s hard (For a bitch, for a bitch) For a bitch, It?s hard It?s hard out here for a bitch, It?s hard (For a bitch, for a bitch) For a bitch, for a bitch) For a bitch, it?s hard It?s hard out here

A bitch, a bitch, a bitch Bitch, bitch Inequality promises
That it?s here to stay
Always trust the injustice
?Cause it?s not going away
Inequality promises
That it?s here to stay
Always trust the injustice
?Cause it?s not going away

[Hook]Sometimes it?s hard to find the words to say I?ll go ahead and say them anyway
Forget your balls, and grow a pair of tits
It?s hard, it?s hard
It?s hard out here for a bitch, It?s hard
(For a bitch, for a bitch)
For a bitch, It?s hard
It?s hard out here for a bitch, It?s hard
(For a bitch, for a bitch)
For a bitch, it?s hard
It?s hard out here
