

Limp Bizkit, Build A Bridge

Build a bridge to your mind
Takes me there everytime
Lay it all on the line
If there's a way
Build a bridge, make a path
Overlook the aftermath
Make my tears be your bath
If there's a way
Only if you'll take a ride
Go with me to the other side
[chorus]
Even though it's gonna crumble down
I'll keep building till you come around
Even though it's gonna fall apart, break my heart
I'll keep building 'till i die
Build a bridge of memories
Stretch it out overseas
To the end of the world
If there's a way
Build a bridge made of pain
Send my longing down the drain
Have no reasons to complain
If there's a way
Only if you'll take a ride
Go with me to the other side
[chorus]
Wait... wait for me....wait... please wait for me [x2]
[chorus (x2)]
