

# Linkin Park, A Light That Never Comes (x STEVE

Nah you don't know me  
Lightning above and a fire below me  
You cannot catch me, cannot hold me  
You cannot stop, much less control me

When it rains it pours  
When the floodgates open, brace your shores  
That pressure don't care when it breaks your door  
Say it's all you can take, better take some more

'Cause I know what it's like to test fate  
Had my shoulders pressed with that weight  
Stood up strong in spite of that hate

The night gets darkest right before dawn  
What don't kill you makes you more strong  
And I've been waiting for it so long

The nights go on  
Waiting for a light that never comes  
I chase the sun  
Waiting for a light that never comes  
Waiting for a light that never comes

When I was young they told me, they said  
Make your bed you lie in that bed  
A king can't hold my rings so instead  
It comes that day, it's off with his head

The night gets darkest right before dawn  
What don't kill you makes you more strong  
You'll have my mercy then when you're gone

The nights go on  
Waiting for a light that never comes  
I chase the sun  
Waiting for a light that never comes  
Waiting for a light that never comes

I told them, nah you don't know me  
Lightning above and a fire below me  
You cannot catch me, you cannot hold me  
You cannot stop much less control me

When it rains it pours  
When the floodgates open, brace your shores  
That pressure don't care, it breaks your door  
Say it's all you can take, better take some more

Waiting for a light that never comes  
The nights go on  
Waiting for a light that never comes  
I chase the sun  
Waiting for a light that never comes  
Waiting for a light that never comes
