

# Linkin Park, Final Masquerade

Tearing me apart with words you wouldn't say  
And suddenly tomorrow's a moment washed away  
'Cause I don't have a reason and you don't have the time  
But we both keep on waiting for something we won't find

The light on the horizon was brighter yesterday  
With shadows floating over, the scars begin to fade  
We said it was forever but then it slipped away  
Standing at the end of the final masquerade  
The final masquerade

All I ever wanted, the secrets that you keep  
All you ever wanted, the truth I couldn't speak  
'Cause I can't see forgiveness, and you can't see the crime  
And we both keep on waiting for what we left behind

The light on the horizon was brighter yesterday  
With shadows floating over, the scars begin to fade  
We said it was forever but then it slipped away  
Standing at the end of the final masquerade

The final masquerade  
The final masquerade  
Standing at the end of the final masquerade

The light on the horizon was brighter yesterday  
With shadows floating over, the scars begin to fade  
We said it was forever but then it slipped away  
Standing at the end of the final masquerade

Oooh ooOOOooh  
Standing at the end of the final masquerade  
(oooh)  
Standing at the end of the final masquerade  
Final masquerade  
(oooh)
