

Linkin Park, Forgotten

From the top to the bottom
(Bottom to top I stop)
At the core I've forgotten
(In the middle of my thoughts)
Taken far from my safety
(The picture is there)
The memory won't escape me
(But why should I care)

From the top to the bottom
(Bottom to top I stop)
At the core I've forgotten
(In the middle of my thoughts)
Taken far from my safety
(The picture is there)
The memory won't escape me
(But why should I care)

There's a place so dark you can't see the end
(Skies cock back) and shock that which can't defend
The rain then sends dripping, an acidic question
Forcefully, the power of suggestion
Then with the eyes shut looking through the rust and rot
And dust, a small spot of light floods the floor
And pours over the rusted world of pretend
The eyes ease open and it's dark again

From the top to the bottom
(Bottom to top I stop)
At the core I've forgotten
(In the middle of my thoughts)
Taken far from my safety
(The picture is there)
The memory won't escape me
(But why should I care)

In the memory you'll find me
Eyes burning up
The darkness holding me tightly
Until the sun rises up

Moving all around, screaming of the ups and downs
Pollution manifested in perpetual sound
The wheels go 'round and the sunset creeps behind
Street lamps, chain-link and concrete
A little piece of paper with a picture drawn floats
On down the street till the wind is gone
And the memory now is like the picture was then
When the paper's crumpled up it can't be perfect again

From the top to the bottom
(Bottom to top I stop)
At the core I've forgotten
(In the middle of my thoughts)
Taken far from my safety
(The picture is there)
The memory won't escape me
(But why should I care)

From the top to the bottom
(Bottom to top I stop)
At the core I've forgotten
(In the middle of my thoughts)
Taken far from my safety

(The picture is there)
The memory won't escape me
(But why should I care)

In the memory you'll find me
Eyes burning up
The darkness holding me tightly
Until the sun rises up

Now you got me caught in the act
You bring the thought back
I'm telling you that
I see it right through you

Now you got me caught in the act
You bring the thought back
I'm telling you that
I see it right through you

Now you got me caught in the act
You bring the thought back
I'm telling you that
I see it right through you

Now you got me caught in the act
You bring the thought back
I'm telling you that
I see it right through you

Now you got me caught in the act
You bring the thought back
I'm telling you that
I see it right through you

Now you got me caught in the act
You bring the thought back
I'm telling you that
I see it right through you

Now you got me caught in the act
You bring the thought back
I'm telling you that
I see it right through you

In the memory you'll find me
Eyes burning up
The darkness holding me tightly
Until the sun rises up

In the memory you'll find me
Eyes burning up
The darkness holding me tightly
Until the sun rises up
