

Linkin Park, Nobody's Listening

Yo, peep the style and the kids checking for it
The number one question is how could you ignore it
And drop right back in the cut over basement tracks
Rap stack got you back in the sub black
(Rewind that) we just rolling with the rhythm
Rise from the ashes of stylist division
With these non-stop lyrics of life living
Not to be forgotten but still unforgiving
But in the meantime there are those who wanna talk this and that
So I suppose that it gets to a point where feelings gotta get hurt
And get dirty with the people spreading the dirt it goes

(Tried to give you warning but everyone ignores me)
Told you everything loud and clear
(But nobody's listening)
(Called to you so clearly but you don't want to hear me)
Told you everything loud and clear
(But nobody's listening)

I got a heart full of pain, head full of stress
Handful of anger, held in my chest
And everything left's a waste of time
I hate my rhymes, but hate everyone else's more
I'm riding on the back of this pressure
Guessing that it's better I can't keep myself together
Because all of this stress gave me something to write on
The pain gave me something I could set my sights on
Never forget the blood sweat and tears
The uphill struggle over years the fear and
Trash talking and the people it was to
And the people that started it just like you

(Tried to give you warning but everyone ignores me)
Told you everything loud and clear
(But nobody's listening)
(Called to you so clearly but you don't want to hear me)
Told you everything loud and clear
(But nobody's listening)

I got a heart full of pain, head full of stress
Handful of anger, held in my chest
Uphill struggle
Blood sweat n tears
Nothing to gain
Everything to fear

Heart full of pain, head full of stress
Handful of anger, held in my chest
Uphill struggle
Blood sweat 'n' tears
Nothing to gain
Everything to fear

Heart full of pain

(Tried to give you warning but everyone ignores me)
Told you everything loud and clear
(But nobody's listening)
(Called to you so clearly but you don't want to hear me)
Told you everything loud and clear
(But nobody's listening)

I got a heart full of pain, head full of stress
(Nobody's listening)

Handful of anger, held in my chest
(Nobody's listening)
Uphill struggle
Blood sweat 'n' tears
(Nobody's listening)
Nothing to gain
Everything to fear
(Nobody's listening)
