## Linkin Park, Nobody's Listening

Coming at you

Yo, peep the style and the kids checking for it The number one question is how could you ignore it We drop right back in the cut over basement tracks With raps that got you backing this up like rewind that

We're just rolling with the rhythm Rise from the ashes of stylistic division With these non-stop lyrics of life living Not to be forgotten but still unforgiven

But in the meantime there are those Who wanna talk this and that So I suppose That it gets to a point where feelings gotta get hurt And get dirty with the people spreading the dirt

## It goes

(Try to give you warning
But everyone ignores me)
Told you everything loud and clear
(But nobody's listening)
(Call to you so clearly)
(But you don't want to hear me)
Told you everything loud and clear
(But nobody's listening)

I got a heart full of pain, head full of stress Handful of anger held in my chest And everything left's a waste of time I hate my rhymes, but hate everyone else's more

I'm riding on the back of this pressure Guessing that it's better I can't keep myself together Because all of this stress gave me something to write on The pain gave me something I could set my sights on

You never forget the blood sweat and tears The up-hill struggle over years the fear and Trash talking and the people it was to And the people that started it just like you

(Try to give you warning
But everyone ignores me)
Told you everything loud and clear
(But nobody's listening)
(Call to you so clearly)
(But you don't want to hear me)
Told you everything loud and clear
(But nobody's listening)

I got a heart full of pain, head full of stress Handful of anger held in my chest Up-hill struggle Blood sweat and tears Nothing to gain Everything to fear [2x]

Heart full of pain [3x]

(Try to give you warning

But everyone ignores me)
Told you everything loud and clear
(But nobody's listening)
(Call to you so clearly)
(But you don't want to hear me)
Told you everything loud and clear
(But nobody's listening)

I got a heart full of pain, head full of stress (Nobody's listening)
Handful of anger held in my chest (Nobody's listening)
Up-hill struggle
Blood sweat and tears
(Nobody's listening)
Nothing to gain
Everything to fear
(Nobody's listening)

Coming at you from every side
