

# Linkin Park, QWERTY (Live)

I didn't think that I had a debt to pay  
Until they came to take all I had left away  
You said you wouldn't put me to the test today  
But I remember you saying that yesterday  
There was a time when your mind wasn't out of control  
Every memory and confession pouring out of your soul  
Like a pill you couldn't swallow and it swallowed you whole  
Another lie, hard to follow, until it followed you home  
And like that

Broken down, a victim of your

Lies  
You hide behind lies  
You don't know why  
You crossed the line  
Wrapped up inside your lies  
You hide behind lies  
You're lost inside that  
Cold disguise  
Behind your lies

I don't know what you thought I might say  
Seems like we never were taught the right way  
Every other minute I fought for my place  
And drop what I made and thought you might stay  
So, I'm guessing that you probably know  
When your inside's hollow, then you oughta be cold  
Like a pill I couldn't swallow and it swallowed me whole  
Another lie, hard to follow, and it followed me home  
And like that

Broken down, a victim of your

Lies  
You hide behind lies  
You don't know why  
You crossed the line  
Wrapped up inside your lies  
You hide behind lies  
You're lost inside that  
Cold disguise  
Behind your lies

You're faking, you're mistaken  
If you think that you could climb out of this hole  
Forsaken, what would take when  
Analyzing by the power of control

Broken down, a victim of your

Lies  
You hide behind lies  
You don't know why  
You hide behind lies  
You don't know why  
You hide behind lies  
You don't know why  
You hide behind--

Wrapped up inside your

Lies  
You hide behind lies

You don't know why  
You crossed the line  
Wrapped up inside your lies  
You hide behind lies  
You're lost inside that  
Cold disguise  
Behind your lies
