Linkin Park, The Catalyst

God bless us everyone
We are broken people living under loaded gun
And it can?t be outfought
It can?t be outdone
It can?t be outmatched
It can?t be outrun
No! (x2)

And when I close my eyes tonight To symphonies of blinding light

God bless us everyone We are broken people living under loaded gun No!

Like memories in cold decay Transmissions echoing away Far from the world of you and I Where oceans bleed into the sky

God save us everyone, Will we burn inside the fires of a thousand suns? For the sins of our hand The sins of our tongue The sins of our father The sins of our young No! (x2)

And when I close my eyes tonight To symphonies of blinding light

God save us everyone, Will we burn inside the fires of a thousand suns? Hoo!

Like memories in cold decay Transmissions echoing away Far from the world of you and I Where oceans bleed into the sky (x2)

Lift me up Let me go (x10)

God bless us everyone
We?re a broken people living under loaded gun
And it can?t be outfought
It can?t be outdone
It can?t be outmatched
It can?t be outrun
No! (x2)
