

# Linkin Park, Valentin's day

My insides all turn to ash  
So slow  
And blew away as I collapsed  
So cold  
A black wind took them away  
From sight  
And held the darkness over day  
That night

And the clouds above move closer  
Looking so dissatisfied  
But the heartless wind kept blowing, blowing

I used to be my own protection  
But not now  
'Cause my path has lost direction  
Somehow

A black wind took you away  
From sight  
And held the darkness over day  
That night

And the clouds above move closer  
Looking so dissatisfied  
And the ground below grew colder  
As they put you down inside  
But the heartless wind kept blowing, blowing

So now you're gone  
And I was wrong  
I never knew what it was like  
To be alone...

On a valentine's day  
On a valentine's day  
On a valentine's day  
On a valentine's day

I used to be my own protection  
But not now  
'Cause my mind has lost direction  
Somehow

I used to be my own protection  
But not now  
'Cause my mind has lost direction  
Somehow
