Lita Ford, Broken Dreams

I see the picture
You're so broken hearted
But can I steal a little love from you tonight
I'd tell you whispers, a little story
That there's a place in my heart for you tonight
But why must we be lonely?
On this night full of rain
Hold me in your dreams
And leave me breathless once again

But I will never understand
Why must the rain fall down?
On the boulevard of broken dreams
Must the tears fall, misty sky
It's a boulevard of broken dreams
Yeah

I close my eyes, and it feels like yesterday When we fought for tomorrow And lived for the day So sweet and innocent Like a child with his toy Who wishes for nothing Left alone with his dreams But why must we be sad? On this night full of rain Take me back to the king And leave me breathless once again

But I will never understand Why must the rain fall down? On the boulevard of broken dreams Must the tears fall, misty sky It's a boulevard of broken dreams Oh, yeah

Why must the rain fall down?
On the boulevard of broken dreams
Must the tears fall, misty sky
It's a boulevard of broken dreams
Why must the rain fall down?
On the boulevard of broken dreams
Another lonely face lost in the crowd
It's a boulevard of broken dreams...
