

# Lita Ford, Hit 'N Run

You're like a runaway train  
As you go speeding down lovers lane  
You're heart's so blind when you get behind the wheel  
That you can't see the love I feel

You say you're such a sensitive guy  
Well, you're the one who's gonna cry

Hit 'n' run  
On your love  
Everyone knows it's true  
Hit 'n' run  
On your love  
That's all I want to do  
Hit your love  
And runaway  
Yeah, ah, runaway

You've been out on the street  
You're making promises that you don't keep  
Well, it don't matter if you make me cry  
You're just a casualty of love gone by  
I don't care if the street light is red  
I'll just drive on straight ahead

Hit 'n' run  
On your love  
Everyone knows it's true  
Hit 'n' run  
On your love  
That's all I want to do  
Hit 'n' run  
On your love  
Everyone knows it's true  
Hit your love  
And runaway  
Yeah, ah, runaway

Hit 'n' run  
Hit 'n' run  
Hit 'n' run  
Hit 'n' run  
Hit 'n' run  
Hit 'n' run  
Hit 'n' run  
Hit 'n' run  
Hit 'n' run
