

Lita Ford, Killin' Kind

(Ford, Rhodes, Ehmig)

Did the lights go out forever?

Has the night just gone insane?

Did what's broken fall together?

Has my heart gone down in flames?

Though I heard your lies, I can't deny

I hunger for the feeling

And I know it's wrong, but I'm hanging on

Crying in my sleep

*So wrong, I'm over my head

So right, I'm out of my mind

Your love is the killin' kind

Two hearts, You swallow my heart

One life, Like you swallow my life

Your love is the killin' kind

If I only could remember

Why I let you in so deep

If I'd only known you better

I could have put these dreams to sleep

Well, you haunt me now, you wear me down

Get me where I'm weak

Yeah, you twist the knife

Your sacrifice

Bring me to my knees

*chorus

I know

I know if the end of the world falls in your arms

I'll remember, every tear I've ever cried for you

Baby, when I said I'd die for you

I lied

*chorus
