

# Little Mix, F.U.

[Verse 1]

All damn night I was here waiting  
Cooked your favorite, dressed up real nice  
I know you were with her, I know that you kissed her  
You came home late and I was so mad  
Had my break up speech ready  
Then you kissed my face  
It's the way you persuade me

[Pre-Chorus]

You're dirty, disgusting  
But I can't get enough of your loving  
Boy, I hate you, really hate you  
My mama say I shouldn't date you  
You cheatin', you lyin'  
I know that you're hiding two cellphones  
But boy, right before I say that it's the end

[Chorus]

You sweet talk me again  
I don't wanna be friends, no  
Why am I such a fool when it comes to you  
A, B, C, D, E, F.U

[Verse 2]

All my friends say I'm a sucker  
Can't explain, it's complicated  
I wish you were dead until you take me to bed  
You're so good, so good  
You little mother  
With those brown eyes and that body  
I'll get my revenge, take my key to your benz

[Pre-Chorus]

You're dirty, disgusting  
But I can't get enough of your loving  
Boy, I hate you, really hate you  
My mama say I shouldn't date you  
You cheatin', you lyin'  
I know that you're hiding two cellphones  
But boy, right before I say that it's the end

[Chorus]

You sweet talk me again  
I don't wanna be friends, no  
Why am I such a fool when it comes to you  
A, B, C, D, E, F.U

[Bridge]

I wanna say "shoo, shoo"  
I wanna say "screw you"  
I practised my lies in the mirror  
Then you smiled, that's my killer  
So I say "love you" and "baby, I need you"  
Cause you're drop dead gorgeous  
And cupid ain't coming to warn us

[Pre-Chorus]

You're dirty, disgusting  
But I can't get enough of your loving  
Boy, I hate you, really hate you  
My mama say I shouldn't date you  
You cheatin', you lyin'  
I know that you're hiding two cellphones

But boy, right before I say that it's the end

[Chorus]

You sweet talk me again

I don't wanna be friends, no

Why am I such a fool when it comes to you

A, B, C, D, E, F.U
