Little Mix, No More Sad Songs (feat. Machine Gu

[Perrie:]

I keep trying, nothing's working I still wanna know, if you're alone I keep trying to put this behind me I still wanna know who's taking you home

[Leigh-Anne:]

For tonight, I'm going to get my mind off it Don't care that someone's got his hands all over my body Stay out all night, go where the music is loud So I don't have to think about it, I'm beggin', please, don't play

[Jade, Leigh-Anne, Jesy & Derrie:]

No more! (Sad songs) No more! (Sad songs) No more! (Sad songs)

I'm beggin', please, don't play

No more! (Sad songs) No more! (Sad songs) No more! (Sad songs)

I'm beggin', please, don't play no more sad songs

[Jesy:]

Dancing with danger, talking to strangers Don't care where I go, just can't be alone They'll never know me, like you used to know me, no

[Jade:]

For tonight, I'm going to get my mind off it Don't care that someone's got his hands all over my body Stay out all night, go where the music is loud So I don't have to think about it, I'm beggin', please, don't play

[Jade, Leigh-Anne, Jesy & Derrie:]

No more! (Sad songs) No more! (Sad songs) No more! (Sad songs)

I'm beggin', please, don't play

No more! (Sad songs) No more! (Sad songs) No more! (Sad songs) I'm beggin', please, don't play

[Machine Gun Kelly:]

Taste

Of the good life, can you keep pace can you Ride shotgun in the fast lane With your eyes wide shut Tell me do you have faith in me

The whole night 'til you feel the sun rays, can you

Forget everything your man sayin'

And let all of our pain be the champagne

Let me take the wheel from here And penthouse suite chill from here Show you the realest years Stare at the skies with you Only got eyes for you Even when the light's off, I'm visualizing you I see your wonder wall, I get close to you I watch you let it fall, and get emotional Erasing past, we are free at last

[Perrie] I'm beggin', please, don't play

[Perrie & Dade:]
No more sad songs (No, no more sad songs)
No more sad songs
No more sad songs (No, no more sad songs)
No more sad songs (Oh)
