

# Little Mix, They Just Don't Know You

Jade:

Daddy doesn't think that you'll be good enough for me  
Mama says be careful 'cause he'll break your heart in three  
They don't walk in my shoes  
They ain't been kissed by you

Leigh-Anne:

My sister says she doesn't like the way you wear your hair  
But I know that she's jealous so why would I even care?  
I have to lie about  
How good you make me feel

Perrie:

So oh

Tell me, tell me you won't break my heart  
You won't tear my world apart  
That you'll be there when I need  
'Cause I wanna tell them

All:

They just don't know you  
They just don't know you  
They just don't know you  
They don't know you like I do  
They just don't know you (They don't know)  
They just don't know you (They don't know)  
They just don't know you, like I do

Jesy:

Talk is cheap and rumors spread but they go with the wind  
It's not about she said he said 'cause I know where it ends  
I know the real truth  
And the real truth is you

Jade:

It's funny 'cause at times it feels like us against the world  
They treat you like a criminal but I'll still be your girl  
I'd rather die with you  
Walk the line if you asked me too

Perrie:

So oh

Tell me, tell me you won't break my heart  
You won't tear my world apart  
That you'll be there when I need  
'Cause I wanna tell them

All:

They just don't know you  
They just don't know you (they just don't know)  
They just don't know you  
They don't know you like I do  
They just don't know you (They don't know)  
They just don't know you (They don't know)  
They just don't know you, like I do

Jesy:

La la la like I do  
They just don't know you

All:

You don't know about our love

You choose what you see  
'Cause if you felt the way we love  
You'd just let it be  
You don't know about the times  
When it's just him and me (Yeah me)  
'Cause if you felt the way we love  
You'd just let it be

Jade:

Ooooooooooooooooooooooooooooooooo

Tell me, tell me you won't break my heart (you won't break my heart)  
You won't tear my world apart (you won't break my heart)  
That you'll be there when I need (I need)  
'Cause I wanna tell them

They just don't know you (they just don't know)  
They just don't know you (they just don't know)  
They just don't know you (no)  
They don't know you like I do  
They just don't know you (They don't know)  
They just don't know you (They don't know)  
They just don't know you, like I do
