

# Little Mix, Told You So

be honest  
how are you feeling girlfriend?  
have you been crying again?  
just give it some times,  
breath out  
see I'm happy that boy was just playing  
pretend  
we said it, you wouldn't listen  
baby finally  
you found out

that he's never gonna love you like we do  
but please, he's never find no one like you, no!

Girl, just come round mine tonight  
I've got wine and make-up wipes  
I'll hold you/2x  
We can put the kettle on  
Talk 'bout how he's not the one  
I told you, but I'm never gonna say 'I told you so!'

to be honest  
his best friend was hotter than him  
his jokes were just lagging content  
but darling, you're better than  
someone who lies and cheats to set the scene  
it's every week  
and every single club we've been in again

now you know that he's never gonna love you like we do  
please he's never find no one like you, no!

Girl, just come round mine tonight  
I've got wine and make-up wipes  
I'll hold you/2x  
We can put the kettle on  
Talk 'bout how he's not the one  
I told you, but I'm never gonna say 'I told you so!'

I'm never gonna say 'I told you so'  
I'm never gonna say 'I told you so'  
I'm never gonna say 'I told you so'  
But I'm just so glad that you know  
that you know  
that you know  
that you know

Girl, just come round mine tonight  
I've got wine and make-up wipes  
I'll hold you/2x  
We can put the kettle on  
Talk 'bout how he's not the one  
I told you, but I'm never gonna say 'I told you so!'
