Stand up

Perrie:

Sometimes I feel like throwing my hands up in the air
I know I can count on you
Sometimes I feel like saying "Lord I just don't care"
You've got the love I need To see me through

Jesy:

Sometimes it seems that the going is just too rough
And things go wrong no matter what I do
Now and then it seems that life is just too much
But you've got the love I need to see me through

All:

You got the love
You got the love
You got the love
i need to see me through
You got the love
You got the love
You got the love
i need to see me through

Jade:

Time after time I think "Oh Lord what's the use?"
Time after time I think it's just no good

Leigh-Anne:

Sooner or later in life, the things you love you loose
But you got the love I need to see me through

All:

You got the love
You got the love
You got the love
i need to see me through
You got the love
You got the love
You got the love
i need to see me through
You got the love
You got the love
You got the love
i need to see me through
You got the love
You got the love
You got the love
i need to see me through

Perrie:

Sometimes I feel like throwing my hands up in the air
I know I can count on you
Sometimes I feel like saying "Lord I just don't care"
You've got the love I need To see me through
